2010 Colt out of Sliceofspice and by Burning Sand

A powerful and highly tractable bay colt out of a stakes placed mare from a tough, durable family - a product that spells Burning Sand performance

TM DAUTERIVE

This big, smart colt learns about tack before his first birthday.

About his dam, Sliceofspice:

Sliceofspice, sold and exported in October 2010, was an excellent and durable racehorse; she ran 52 races over 5 years soundly. She had 6 wins, 4 seconds, 10 thirds, and 31 other times was a money earner. She ran from 2003 as a 3 yr old (only lightly raced then, 3 times, she won 1 and 1 third) and until 2007 as a 7 yr old. She is also 2 time stakes placed, in the Victorian Village Arabian Distaff Stake and the Los Alamitos Oaks, she earned these achievements as a 4 and 5 year old.

Sliceofspice's sire, Flaming Tigre is sire of 44 horses who raced on track. He himself raced, only starting two times, winning one race and running second in the important Grade III Firecracker Futurity at Delaware Park. He was then exported to the United Arab Emirates to Sheik Maktoum (and has foals in UAE who raced) and then 3 years later he was exported from UAE to Argentina. Flaming Tigre is also sire of great international endurance horses as Cal Flaming Emit, Flash Flame, Gold Raven, Saagre Gold, Stars Aflame, and Run or Roll. Flaming Tigre was sired by Flaming Tron Ku. Flaming Tron Ku is a Legion of Supreme Honor Stallion who earned \$117,611 on the racetrack in 25 starts and won 9 important stakes races. Flaming Tron Ku was sired by Ibn Kontiki, the legend who sired a dynasty of outstanding runners and producers including Flaming Streak 5/34(12-7-7)4-6 sire of 39 winners.

The extra beauty of Sliceofspice is her outstanding dam line... her dam the incredible Love Joy sold to Abu Dhabi, UAE, and her maternal half sister JOYFUL LOVE is a stakes winner and stakes placed Darley Champion, earned \$86,952 in 19 starts, and was exported. Joyful Love was also bred to BURNING SAND. Love Joy has produced 8 foals; she had 4 foals in USA including Sliceofspice, Joyful Love, Easy Going (exported) and Toki Joy Ghantoot (also exported, UAE). Love Joy has 4 more foals born in UAE. Love Joy is by the stallion BY GOLLY, another Legion of Supreme Honor Stallion, plus By Golly was a Racing Hall of Fame member and IAHA Racehorse of the Year. Sliceofspice has continuing excellence in her dams female line- the immortal Kenia is the dam of Love Joy. Kenia was a prolific mare who produced 17 foals. One of her fastest daughters was BY A MILE, track record setter and Darley Nominee. Kenia also produced 5 other winners including the rock solid KEEN EDGE (who ran an incredible 110 races (27-19-13) \$76,899 and KAN YOU RUN 55(15-7-9)2-2, \$62,517. Through and through Sliceofspice's damline is a landmark of speed and durability.
